

Family History Upgraded

Create an ancestor storybook!

Go to an ancestor in FamilySearch
Click on the About tab
Copy the brief life history

<https://gemini.google.com/gem/storybook>

Paste the brief life history, and hit Enter
In about 3 minutes, you'll have a storybook!

Animate an Ancestor

Go to an ancestor in FamilySearch with a picture and download the photo.

There are two options for creating a video:

This makes an ancestors head come alive

Upload your photo, and it will create a video!

Create a silhouette!

Take a side photo

<https://gemini.google.com>

Click the + button and upload your photo.
Ask Gemini to "Turn this image into a silhouette with a white background."

Once it finishes generating, simply press the download button.

Create a meme
